Health and Safety Schedule of Services

Our Medical Advisory Committee, with our deepest appreciation, has been guiding our leadership since the start of the COVID-19 pandemic. Since we are still in a dynamic situation, plans and protocols may change between this communication

and the High Holy Days. At this time:

ALL SERVICES WILL BE HELD IN-PERSON AND LIVE ONLINE

- COVID-19 vaccination proof must be sent, in advance, to attend select indoor services.
- An outdoor tented option with live video will be offered for select services.
- All services will be available online to watch from home.
- Some services and events require pre-registration in order to attend in person.

While we continue to face the challenges of the pandemic, we are working to re-open safely and responsibly. We recognize there are compromises to be made and that we cannot do everything for everyone every time. We ask for your patience and consideration as we do our very best with respect and love for our entire community.
